Our Gratitude to Deborah Halter

Deborah Halter began serving as editorial assistant for *Nova Religio* in July 2001. Since that time through 2018 she provided constructive input into the majority of *Nova Religio's* articles. In addition to copyediting, she made comments on papers for the benefit of the authors and editors, and asked questions so content could be clarified and arguments strengthened. Her work on *Nova Religio* articles was enhanced by her religious studies expertise. Deborah Halter has made important contributions to making *Nova Religio* the strong academic journal that it is today. We are grateful to Deborah for her work on behalf of *Nova Religio*, and we are glad that we will be able to call on her services in the future.
